### **Statistics of Income and Related Administrative Record Research: 1990**

Selected papers given at the 1990 Annual Meeting of the American Statistical Association in Anaheim, California. Papers selected for this volume contain discussions of methodological improvements and applications currently underway in the U.S. Federal statistical community. In particular, the focus is on work being done by the Statistics of Income Division of the Internal Revenue Service (IRS). The volume covers five general areas: longitudinal panel data and estimation issues; analytical research using survey and administrative data; design issues for Federal surveys; information on the conclusions of the Establishment Reporting Unit Match Study; and a look at future data needs for the Federal sector.

### **Statistics of Income and Related Administrative Record Research: 1988-1989**

Selected papers given at the 1988 and 1989 Annual Meetings of the American Statistical Association in New Orleans, LA and Washington, DC, respectively. Papers for the volume focus on perspectives on statistics in government--in celebration of ASA's 150th anniversary; improvements in income and wealth estimation; methodological enhancements to administrative record data; some looks at the effects of tax reform; and technological innovations for statistical use.

### **Statistics of Income and Related Administrative Record Research: 1986-1987**

Selected papers given at the 1986 and 1987 Annual Meetings of the American Statistical Association in Chicago and San Francisco, respectively. Papers focus on on-going wealth estimation research and U.S. and Canadian efforts regarding methodological enhancements to corporate and individual tax data and recent refinements to disclosure avoidance techniques.

### **Record Linkage Techniques: 1985**

The Proceedings of the Workshop on Exact Matching Methodologies held in Arlington, Virginia, May 9-10, 1985. Includes landmark background papers on record linkage use and papers describing methodological enhancements, applications and technological developments, as well as extensive bibliographic material on exact matching.

### **Statistical Uses of Administrative Records: Recent Research and Present Prospects**

A two-volume reference handbook on research results involving the use of administrative records for statistical purposes from 1979 through 1982:

- Volume I (March 1984) focuses on general considerations in administrative record research, applications of income tax data, uses based on data from other major administrative record systems, and enhancements to statistical systems using administrative data.
- Volume II (July 1984) focuses on comparability and quality issues, access to administrative records for statistical purposes, selected examples of end uses of linked administrative statistical systems, and a status report which sets goals for the future.

### **Statistics of Income and Related Administrative Record Research: 1984**

Selected papers given at the 1984 Annual Meeting of the American Statistical Association in Philadelphia. Papers focus on future policy issues, applications, exact matching techniques, quality control, missing data and sample design issues.

**Statistics of Income and Related Administrative Record Research: 1983\***

Selected papers given at the 1983 Annual Meeting of the American Statistical Association in Toronto. Papers focus on use of administrative records in censuses and surveys, applications for epidemiologic research and other statistical purposes, and statistical techniques involving imputation and disclosure and confidentiality.

**Statistics of Income and Related Administrative Record Research: 1982\***

Selected papers given at the 1982 Annual Meeting of the American Statistical Association in Cincinnati. Papers focus on statistical uses of administrative records, resulting methodologic advances, and estimates and projections for intercensal updates.

**Statistics of Income and Related Administrative Record Research\***

Selected papers given at the 1981 Annual Meeting of the American Statistical Association in Detroit. Papers focus on applications and methodologies with an emphasis on IRS' Statistics of Income Program, the Small Business Data Base, nonprofit and pension data, and on Canada's Generalized Iterative Record Linkage System.

**Economic and Demographic Statistics\***

Selected papers given at the 1980 Annual Meeting of the American Statistical Association in Houston. Papers focus on evaluation of the 1977 Economic Census, CPS hot deck techniques, and efforts to upgrade Social Security's Continuous Work History Sample.
