

# Business Activity Codes

The codes listed in this section are a selection from the North American Industry Classification System (NAICS) that should be used in completing Form 990, Part VIII, lines 2 and 11. If you don't see

a code for the activity you are trying to categorize, select the appropriate code from the NAICS website at [www.census.gov/cgi-bin/sssd/naics/naicsrch?chart=2017](http://www.census.gov/cgi-bin/sssd/naics/naicsrch?chart=2017). The codes listed in Other

(beginning with 90) are not part of the NAIC system and are not listed on the NAICS website. Select the most specific 6-digit code available that describes the activity producing the income being

reported. Note that most codes describe more than one type of activity. Avoid using codes that describe the organization rather than the income-producing activity.
