**Note:** This scenario reports the following reversion of qualified plan assets to an employer event:

IRC section 4980 imposes an excise tax on an employer reversion of qualified plan assets to an employer. Generally, the tax is 20% of the amount of the employer reversion. The excise tax rate increases to 50% if the employer does not establish or maintain a qualified replacement plan following the plan termination or provide certain pro-rata benefits increases in connection with the plan termination.

Complete reporting of this event will require the following Form 5330 return:

By the **organization** (the return attached to this cover page).
