

Dear Taxpayer:

I'm writing to invite you to complete a survey about your experience meeting tax obligations. We'd like to know about your experience meeting your tax requirements and any burdens you face in doing so. By taking some time to answer the survey questions now, you can help us find ways to improve taxpayer services in the future. Your participation is voluntary.

IRS records show that you earned income that was not reported on a Form W-2, Wage and Tax Statement, in Tax Year 2017 or 2018. This means that at least some of your income came from work as an independent contractor, self-employment, or non-wage sources of income like investments, rental property, or retirement income.

To take the secure online survey:

1. Go to www.IRS-ETPSurvey.org
2. Enter your PIN: <<PIN>>
3. Follow the instructions on the screen to begin the survey

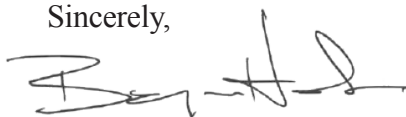

You can find more information in the enclosed Frequently Asked Questions.
