- Return Growth Expected
- Service Delivery
 - Traditional
 - Virtual
 - Facilitated Self-Assistance
- Concurrent Application Processing

Return Growth Expected

- Successful applicants demonstrate incremental increases in the number of federal tax returns each year
- All grant agreements now include the minimum expected returns
- Plan for growth – minimal 3% growth expected over prior year production

Service Delivery

- Consider how tax return preparation is delivered
 - Traditional – service is provided one-on-one to those that visit the site
 - Virtual – service is similar to traditional but uses technology to connect the volunteer and taxpayer
 - Facilitated Self Assistance – taxpayer prepares their own returns with assistance from trained volunteer as needed
- Consider who you want to reach with the different service delivery methods
- Consider who will support different delivery methods

Site Benefits

- Prepare and e-file more tax returns
- Allows sites to more fully leverage its volunteers
- Target taxpayers who need one-on-one help
- Reduce lines at peak times
- Increase options for taxpayers
- Receive credit for returns filed

Taxpayer Benefits

- Access to online tax software
- Assistance from volunteers as needed
- Increased knowledge of how tax laws impact individual returns
- Reduced wait time for tax preparation
- Expanded free tax help options
- Builds confidence to file without assistance

- Technical and Grant Program Office evaluations performed concurrently
- Missing information necessary for technical evaluation may not be identified prior to technical review
- Items determined to be missing and subsequently provided will not be considered during technical evaluation and could result in lower technical scores
