Joint Statement by:

Mark J. Mazur
Assistant Secretary (Tax Policy)
U.S. Department of the Treasury

John A. Koskinen
Commissioner
Internal Revenue Service

William J. Wilkins
Chief Counsel
Internal Revenue Service

We are pleased to announce the release of the first quarter update to the 2016–2017 Priority Guidance Plan.

The 2016–2017 Priority Guidance Plan contained 281 projects that are priorities for allocation of the resources of our offices during the twelve-month period from July 2016 through June 2017 (the plan year). The plan represents projects we intend to work on actively during the plan year and does not place any deadline on completion of projects. Projects on the 2016–2017 plan will provide guidance on a variety of issues important to individuals and businesses, including international taxation, health care, and implementation of legislative changes.

In addition to the items on the 2016–2017 plan, the Appendix lists the more routine guidance that is generally published each year.

This first quarter update to the 2016-2017 plan reflects 6 additional projects that have become priorities and guidance we have published (or released) during the period from July 18, 2016 through September 30, 2016. Periodic updates allow us flexibility throughout the plan year to consider comments received from taxpayers and tax practitioners relating to additional projects and to respond to developments arising during the plan year.

As discussed in Notice 2016-26, the published guidance process can be fully successful only if we have the benefit of the insight and experience of taxpayers and practitioners

who must apply the rules. Therefore, we invite the public to continue to provide us with comments and suggestions as we write guidance throughout the plan year.

Additional copies of the 2016–2017 Priority Guidance Plan can be obtained from the IRS website at <http://www.irs.gov/uac/Priority-Guidance-Plan>. Copies can also be obtained by calling Treasury’s Office of Public Affairs at (202) 622-2960.
