Note: This section lists OID for use SOLELY by brokers and other middlemen in preparing information returns for zero coupon instruments issued under the Department of the Treasury's STRIPS program, by government-sponsored enterprises such as the Resolution Funding Corporation and the Financing Corporation, or as instruments backed by U.S. Treasury securities that represent ownership interests in such securities. If you owned or held such debt instruments in 2019, do not rely on the amounts listed in this section. Instead, follow the OID computation rules and methods described earlier in this publication under "Figuring OID on Stripped Bonds and Coupons."
