### **What is the IRS Annual Filing Season Program?**

The Annual Filing Season Program launched by the Return Preparer Office is intended to recognize and encourage non-credentialed tax return preparers who voluntarily increase their knowledge and improve their filing season competency through continuing education. A non-credentialed tax return preparer is a tax return preparer without professional credentials. This program allows them to obtain an AFSP record of completion for participation in an annual continuing education program. AFSP participants are also included in a public database of return preparers on the IRS website. There are also reduced requirements for exempt individuals. IRS VITA/TCE volunteers are considered exempt if they meet all the above requirements to obtain at least 14 hours of continuing education credit through the VITA/TCE program and obtain an additional 1 hour of ethics training from an [\*\*IRS Approved Provider.\*\*](#)

### **How and when will I get my record of completion?**

- After completing the required continuing education requirements and renewal of PTIN for the upcoming year.
- Volunteer will receive an email from TaxPro\_PTIN@irs.gov with instructions on how to elect to participate and receive their record of completion in the online secure mailbox.
  - After notification they qualify, volunteer must sign the Circular 230 Agreement in their PTIN account and the AFSP- Record of Completion will be viewable/printable from their secure mailbox in the PTIN system.
