

Public Comment Invited on Recommendations for 2013-2014 Guidance Priority List

Notice 2013-22

The Department of Treasury and Internal Revenue Service (Service) invite public comment on recommendations for items that should be included on the 2013-2014 Guidance Priority List.

The Treasury Department's Office of Tax Policy and the Service use the Guidance Priority List each year to identify and prioritize the tax issues that should be addressed through regulations, revenue rulings, revenue procedures, notices, and other published administrative guidance. The 2013-2014 Guidance Priority List will establish the guidance that the Treasury Department and the Service intend to prioritize for purposes of allocating resources from July 1, 2013, through June 30, 2014. The Treasury Department and the Service recognize the importance of public input to formulate a Guidance Priority List that focuses resources on guidance items that are most important to taxpayers and tax administration. Published guidance plays an important role in increasing voluntary compliance by helping to clarify ambiguous areas of the tax law.

As is the case whenever significant legislation is enacted, the Treasury Department and the Service have continued to dedicate substantial resources during the current plan year to published guidance projects necessary to implement the provisions of the multitude of tax Acts that have been enacted over the past several years including, but not limited to, the American Recovery and Reinvestment Tax Act of 2009, Pub. L. No. 111-5, 123 Stat. 115, which was enacted on February 17,

2009; the Hiring Incentives to Restore Employment Act, Pub. L. No. 111-147, 124 Stat. 71, which was enacted on March 18, 2010; the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, 124 Stat. 119, which was enacted on March 23, 2010; the Health Care and Education Reconciliation Act, Pub. L. No. 111-152, 124 Stat. 1029, which was enacted on March 30, 2010; the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010, Pub. L. No. 111-312, 124 Stat. 3296, which was enacted on December 17, 2010; and the American Taxpayer Relief Act of 2012, Pub. L. No. 112-240, which was enacted on January 2, 2013. The Treasury Department and the Service will continue to evaluate the priority of each guidance project in light of the above-mentioned tax legislation and other developments occurring during the 2013-2014 plan year.

In reviewing recommendations and selecting projects for inclusion on the 2013-2014 Guidance Priority List, the Treasury Department and the Service will consider the following:

1. Whether the recommended guidance resolves significant issues relevant to many taxpayers;
2. Whether the recommended guidance promotes sound tax administration;
3. Whether the recommended guidance can be drafted in a manner that will enable taxpayers to easily understand and apply the guidance;
4. Whether the recommended guidance involves regulations that are outmoded, ineffective, insufficient, or excessively burdensome and that should be modified, streamlined, expanded, or repealed;

5. Whether the Service can administer the recommended guidance on a uniform basis; and
6. Whether the recommended guidance reduces controversy and lessens the burden on taxpayers or the Service.

Taxpayers may submit recommendations for guidance at any time during the year. Please submit recommendations by May 1, 2013, for possible inclusion on the original 2013-2014 Guidance Priority List. The Treasury Department and the Service may update the 2013-2014 Guidance Priority List periodically to reflect additional guidance that the Treasury Department and the Service intend to publish during the plan year. The periodic updates allow the Treasury Department and the Service to respond to the need for additional guidance that may arise during the plan year. Recommendations for guidance received after May 1, 2013, will be reviewed for inclusion in the next periodic update.

Taxpayers are not required to submit recommendations for guidance in any particular format. Taxpayers should, however, briefly describe the recommended guidance and explain the need for the guidance. In addition, taxpayers may include an analysis of how the issue should be resolved. It would be helpful if taxpayers suggesting more than one guidance project prioritize the projects by order of importance. If a large number of projects are being suggested, it also would be helpful if the projects were grouped in terms of high, medium, or low priority.
