4. Description of Duties: The ETAAC's duties are to research, analyze, consider and make recommendations on a wide range of electronic tax administration issues and to provide input into the development and implementation of the strategic plan for electronic tax administration. The Chair of the ETAAC, in conjunction with the Commissioner of Internal Revenue and the Secretary, shall report annually to the Congress on (1) the prevention of identity theft and refund fraud; (2) the progress of the IRS in meeting the goal of receiving electronically 80 percent of all tax and information returns; (3) maintaining and enhancing electronic filing participation; (4) the legislative changes necessary to assist the IRS in meeting such goal; and (5) the effects on small businesses and the self-employed of electronically filing tax and information returns.
