GENERAL BUSINESS PURPOSE

What is the general business purpose of this Survey? Provide a clear, concise description of the Survey, the reason for the Survey, and the benefits to the IRS mission.

The survey is conducted as part of the IRS agency-wide initiative to monitor and improve taxpayer satisfaction with the Excise tax program. To ensure that the Excise tax program is meeting the needs of the taxpayers, feedback from external customer satisfaction surveys is critical for assessing the customer's perception of our products and services. The survey is conducted on a monthly basis via mail. The Excise tax Customer Satisfaction survey has three primary goals: 1) to survey external customers on an ongoing basis regarding their expectations of Excise tax, 2) to track customer satisfaction, and 3) to identify operational improvements. The Excise Tax program focuses on conducting examinations/audits of taxpayer and business compliance for reporting on a wide variety (goods, services, activities) of Excise tax liabilities using Forms 720, 730, 11-C, 2290 and 8849. These audits are normally conducted face-to-face by Revenue Agents or Tax Compliance Officers with specialized expertise in Excise Tax matters. Because the history of customer satisfaction measurement in IRS has demonstrated the sensitivity of customer satisfaction outcomes to factors not directly related to service experience, survey results need to be combined with case-related data to make an accurate determination of customer satisfaction.

SURVEY PARTICIPATION

Who will the Survey be administered to?

Taxpayers

Explain how participants are selected. Include a detailed description of the method and reason of selection. If selection is random, please explain.

Participants are randomly selected each month via a stratified random sample using the IRS Audit Information Management System (AIMS) secured database. Samples are stratified by campus in order to ensure an adequate number of respondents for campus level analyses.

How are participants notified of the Survey?

Participants are notified of the survey through correspondence received via U.S. Mail.

Is the Survey voluntary?

Yes

How is notice given that the Survey is optional?

The introductory letter states, "Providing information is voluntary."

How will the Survey be conducted?

Web Based

Explain the procedure:

The survey is conducted by mail, but the respondents are also given the choice to complete the survey electronically, using an on-line URL link with an assigned password. Cookies are not used.

Mail
Explain the method for choosing participants:

The survey is conducted via U.S. Mail, the method of choosing survey participants is described above. The contractor administers the survey by mail on a monthly basis. The current mail survey process includes: 1) an advance letter about the survey; 2) a cover letter with the survey questionnaire; 3) a postcard reminder; and 4) a second letter and survey questionnaire to non-respondents.

SURVEY PROCESS

Does the IRS administer or perform analysis of the survey?

Analysis

That all applicable FAR requirements are met to engage a contractor to perform the survey.

Yes

That all required "non-disclosure" clauses are contained in the contract.

Yes

That all contractor employees who will have access to the data have signed non-disclosure agreements and the non-disclosure forms are on file with the COR.

Yes

What is the level of access and background investigation completed on contractor employees prior to access to PII about employees or taxpayers? Any contractor or subcontractor who will have access to the PII should have at least a "Moderate Risk" (NACIC) investigation. See Publication 4812 - Contractor Security Controls.

Contractor Users: Read-Only  Moderate
INFORMATION PROTECTION

What information/results will be provided to the business owners (IRS Requestors) of the Survey?

The Business Owners will receive one disposition report from the contractor, as well as monthly datasets from the monthly survey administration. No specific taxpayer information regarding the survey will be provided to the Business Owners. The contractor uses variable coding on the reports where participants are referred to as 'respondents.' Participants cannot be identified, and no adverse actions will be taken against them regarding their responses. All reports are prepared internally by the SBSE Research Team.

Can you confirm that employees or taxpayers who participate in the survey cannot be identified under any circumstances?

Yes

Can you confirm that no adverse actions can be taken against participants regarding the participant's answer?

Yes

For employee or taxpayer Satisfaction Surveys, can you verify that no "raw" or un-aggregated employee or taxpayer data will be provided to any IRS office?

Yes

Are there any employee or taxpayer identifiers that are obtained as a result of responding to the survey?

No
RECORDS SCHEDULE

Are the Survey records covered under the General Records Schedule (GRS), or have a National Archives and Records Administration (NARA) archivist approved a Record Control Schedule for the retention and destruction of official agency records stored in this Survey?

Yes

How long are the records required to be held under the corresponding RCS and how are they disposed of? Explain how long any PII data will be retained by the contractor if they are conducting the Survey on behalf of the IRS. In your response, please include the complete IRM number and specific item number and title.

All records for the survey will be deleted or destroyed in accordance with approved retention periods. Any records will be managed according to requirements under IRM 1.15.1 and 1.15.6 and will be destroyed using IRS General Records Schedule (GRS) 6.5, Item 010 and as coordinated with the IRS Records and Information Management (RIM) Program and IRS Records Officer. Cyber-security and the National Institute of Standards and Technology (NIST) for records retention requirements state that documents must be securely maintained for seven (7) years prior to destruction or until the end of the contract term (Period of Performance), These requirements will obviously be considered in drafting a final request for records disposition authority for NARA submission and approval.

DATA SECURITY

How does the administrator of the survey guarantee that the PII regarding employees or taxpayers will not be compromised, lost or stolen when housed on IRS computers? Where and how is it stored and protected?

No PII is housed on IRS computers.

Does a contractor/vendor administer or perform analysis of the survey?

Yes

Please provide the Cyber security approved security and encryption used when data is transferred electronically from IRS to Contractors and back to the IRS.

Contractor maintains compliance with Cyber-security and National Institute of Standards and Technology (NIST) requirements for data to be transferred though the Electronic File Transfer Unit (EFTU) or using the Secure Zip data transfer method. Any time a bulk file encryption is used, requiring the sharing of an encryption phrase, the pass phrase will be communicated separately from the email/package, with an alternate method to communicate, e.g. phone call to communicate pass phrase.
When data is not sent electronically, provide in detail the information regarding the transfer back and forth from the IRS to contractors?

Contractor maintains compliance with Cyber-security and National Institute of Standards and Technology (NIST) requirement for data to be transferred via password protected encrypted disk via FedEx overnight mail (including return acknowledgement form).

How is the survey PII protected and stored when it is housed at a contractor's site, on contractor's computers? Please provide detailed information that the contractor uses regarding the physical and electronic security and protection of the data before, during, and after the survey.

Contractor participates in annual Contractor Security Assessments by IRS Representatives and received satisfactory to excellent reviews annually. All electronic IRS data is stored on a separate password protected server inside a locked facility; physical data is stored in a locked cabinet. Only the IRS cleared system administrator has logical and physical access to the secure servers.

CIVIL LIBERTIES

Does the Survey maintain records describing how an individual exercises rights guaranteed by the First Amendment (including, but not limited to information regarding religious and political beliefs, freedom of speech and of the press, and freedom of assembly and petition)?

No

Will this Survey have the capability to identify, locate, and monitor individuals or groups of people?

No
