The specific business purpose of the IRS use of Instagram is to make the agency's resources more accessible, create awareness and humanize the agency by potentially reaching 700 million total monthly active users between the ages of 18-29 (60% of users). Showcase products and services Drive traffic to IRS.gov Increase taxpayer outreach Highlight programs and deadlines that change over time Incentivize taxpayer engagement Share news Connect with influencers Address unique challenges of younger citizens becoming first-time taxpayers Enhance and complement event experiences Showcase the agency and recruit new talent when resources support are available Instagram is a mobile photo-Mobile-based photo and video-sharing social network with more than 700 million total monthly active users. It is centered around sharing images and video through an account or via stories in a feed. The IRS Social Media Branch currently creates images using graphics purchased through a contract with Thinkstock (stock image provider) and editing them to highlight our priorities. We do this for Twitter, Facebook and Tumblr. The immediate plan is to plan for Instagram as well. Additionally, we plan to create short videos in coordination with Communication and Liaison (C&L).

DATA SECURITY

How will the IRS secure the PII that is used, maintained, or provided? (Be specific to ensure the security controls meet Cyber Security and other federal security authorities.)

The IRS Social Media Branch will not solicit, accept or maintain any PII on the IRS Instagram page. The IRS Instagram account does not accept comments, limiting therefore the chances of users posting any PII.

Are there any privacy risks that may exist or be inherent in a social networking environment?

Yes

List the risks:

Instagram users may share PII on a public post and tag the IRS account.

What are the plans to mitigate the risks?

The Social Media branch often encourages the public to be cautious with their data on any public environment and warn that the IRS does not engage with taxpayers in this environment.

GENERAL REQUIREMENTS
