IRS Taxpayer Assistance Centers are now taking appointments

IRS Taxpayer Assistance Centers (TACs) are your source for free personal tax help when you believe your tax issue cannot be handled [online or by phone](#). Many questions can be resolved online without visiting a TAC.

Here is how it works. Instead of going directly to your local TAC with a tax issue, you should now call a special toll free number, **844-545-5640**, to reach an IRS representative, who is trained to either help you resolve it or schedule an appointment for you to get the help you need. You may be able to resolve your tax issue by calling, getting guidance and eliminating the need to even travel to a TAC, which is sometimes a pretty significant trip.

Assistance is provided in over 150 languages. Taxpayers who simply want to drop off a payment or a tax return or even pick up a tax form can still do that without an appointment. Please always check IRS.gov or check the IRS2Go app for days and hours of operation as well as services offered at the IRS TAC [location you plan to visit](#).
