

Sample article for organizations to use to reach customers (313 word count)

Post the following article on your websites and/or use in other communication vehicles to help your customers find answers to common questions using the IRS2Go mobile app.

Connect with the IRS on your phone using IRS2Go

Check your refund status, make a payment, find free tax preparation assistance and sign up for helpful tax tips with the IRS mobile app. [IRS2Go](#) is available for free to use on Android smartphones and tablets, iPhones, iPads, and Fire tablets.

You can use IRS2Go to:

- **Check the status of your refund.** Check on your [refund status](#) within 24 hours after the IRS receives your e-filed return, or about four weeks after mailing a paper return.
- **Make a payment.** The app offers easy access to mobile-friendly payment options like [IRS Direct Pay](#). This offers a free, secure way to pay directly from your bank account. You can also make a [credit or debit card](#) payment through an approved payment processor.
- **Find free tax preparation assistance.** If you're eligible, you can access [free tax software](#) from your mobile device to quickly prepare and file your taxes and get your refund. If you got an extension of time to file your taxes, you can use the app to file through the October extended filing deadline.
- **Get helpful tips and information.** You can use the app to access IRS accounts on social media, including watching helpful videos and reading IRS tweets. You can also use the app to sign up to receive [IRS Tax Tips by email](#).

IRS2Go is available in both English and Spanish.

Date: August 10, 2018
