Post the following article on your websites and/or use in other communication vehicles to help your customers learn about tax payment options.

You have easy ways to make a tax payment

It's tax season again, and if you owe, you'll need to [make a payment](#) by your due date to avoid interest and penalties. You can pay online, by phone or with your mobile device using the [IRS2Go](#) app.

Electronic funds withdrawal

[Electronic funds withdrawal](#) allows you to pay from your bank account when you use tax preparation software or a tax professional to e-file your return. You can schedule your payment any time before your due date. It's safe, easy and convenient with many features and benefits:

- You can e-file and e-pay in a single step.
- It eliminates the need to submit a voucher and mail a check.
- It's secure. IRS safeguards bank account information and only uses it for processing the payment transactions you authorize.

IRS Direct Pay

Another easy way to pay is with IRS [Direct Pay](#). Direct Pay is free and allows you to securely pay your taxes directly from your checking or savings accounts whether you file electronically or on paper. You can schedule payments up to 30 days in advance and receive instant confirmation after you submit your payment.

Debit and credit card

You can also pay your taxes using [debit and credit card](#). The IRS uses standard service providers and business/commercial card networks who usually charge a fee for this service. Go to <https://www.irs.gov/Payments> for card processors and their phone numbers.

You can make your tax payment from your mobile device with the free [IRS2Go](#) app and choose either [Direct Pay](#) or [debit and credit card](#) payments. You can download IRS2Go from Google Play, the Apple App Store or Amazon to make your payments when it's convenient for you.
