

Secure Messaging

A NEW WAY TO CONNECT WITH THE IRS

Wish there was a secure way to communicate electronically regarding your Affordable Care Act (ACA) Branded Prescription Drug (BPD) Fee?

The IRS now has a secure method of communicating with feepayers electronically – IRS Secure Messaging. You will now be able to send and receive messages and digital documents related to your BPD Fee securely and easily

Contact an ACA BPD Analyst to register and get started

What is Secure Messaging?

- A way to share files and communicate that is more secure than standard email
- Web based-no software to download or certificates to install

What are the benefits of Secure Messaging?

- Ability to receive your National Drug Code (NDC) Attachment and other sensitive documents electronically
- Ability to submit your dispute template electronically

Use IRS Secure Messaging to communicate with us online
