Section II - About the Social Media Site

4. Will personally identifiable information (PII) become available to the IRS through public use of this social media site Yes No

If yes, list all PII that is likely to become available (*i.e., names, avatars, email addresses, photos, etc.*)

Facebook usernames will become available as users like the Facebook page or like/share posts from the page. Names, locations and occupations of users may also become available.

a. Will the public be able to respond or interact with comments or questions Yes No

If yes, how

b. Will the public need to identify their email address or other address if they request services Yes No

**If you answered yes to any part of Question 4, a full PIA is required.
Please complete the remainder of this questionnaire.
If no, stop and explain how no PII is available here, and submit for review.**

5. What is the IRS intended or expected use of the PII? Be specific. This answer must map to the mission or goals of the agency
There is no intended or expected use for the PII. TAS does not collect PII through Facebook. TAS does monitor for mentions of TAS that users may post to the social networking site. As such, names, locations and occupations of the individuals may be available. Though it's possible for users to post a comment publicly on TAS's Facebook page that could contain PII, all comments are deleted from the page as soon as TAS is aware of them. The page contains a policy statement posted predominately at the top of the Facebook page that states all comments will be deleted. We are not requesting any information be provided. TAS C&L doesn't correspond with taxpayers - if a direct message or comment is received that needs some kind of substantive contact, we forward it to the Executive Director Case Advocacy - they will contact the taxpayer, create a case, etc., as appropriate. Any limited message that would be sent back would be to advise their message was forwarded to the Executive Director Case Advocacy for assistance.

a. Will the site be used to solicit feedback? (*OMB M-10-23 requires that if an agency uses a third-party service to solicit feedback, the agency should provide an alternative government email address where users can also send feedback*) Yes No

b. If the answer for 2a. above is yes – provide information on the IRS.gov website or email address where users can send feedback

6. With whom will the IRS share the PII

- a. Within the IRS business owner's offices
- b. IRS research/statistical data gathering
- c. Other IRS offices (*list*)
- d. Other federal or state government agencies
- e. Other outside entities

Note: Follow number 7 retention schedule instructions only if site will interact with public (contact AWSS Records & Information Management Services (RIM) to determine if the interaction constitutes "record keeping")

7. What are the plans to maintain the PII information collected, used or stored? (Follow approved records retention schedule below if site will interact with public. Contact the IRS Records and Information Management (RIM) Program Office with recordkeeping questions)

TAS does not collect, use or store PII information via Facebook.

Records Control Schedule (RCS) 17, item 34 for IRS Interactive Networking Site Use Records (to be published in RCS Document 12990 when next updated):

Records documenting activity on social networking sites where interaction with site users and IRS occur. Activity capture records include periodic and/or scheduled screen shots detailing content posted by IRS; links to content hosted on IRS-owned web sites; discussion topics posted by IRS; comments to IRS posts/discussions by users subscribed to networking sites/services, and; comments posted by IRS employees. (Job No. DAA-0058-2013-0003)

Disposition: Temporary.

Cut off 6 months after the beginning of the FY.

Delete/Destroy 6 months after cutoff.

Note: Some networking sites are used by IRS strictly for publishing information that is already scheduled and maintained in accordance with previously approved RCS items (including IRS.gov). See RCS Document 12990 for approved disposition instructions for recordkeeping/official copies of those documents. For records that do not have a previously approved schedule, or do not meet the above Networking Site criteria, please contact the RIM Program Office for retention assistance.

a. Site the authority to retain/dispose of the PIA data

- RCS 17, item 34 for IRS Interactive Networking Site Use Records
- Other (explain, and cite authority or provide proposed retention)

TAS does not retain, maintain or store PII from Facebook.

b. Cite the authority to retain the PII. RCS 17, Item 33, IRS Interactive Networking Site Use Records (DAA-0058-2013-0003, Pending National Archives and Records Administration approval)

TAS does not retain, maintain or store PII from Facebook.

c. Describe where the PII data will be stored, who will have access to it, and the purpose. (Collection, use, retention, and disclosure of personally identifiable information will be limited to what is minimally necessary for the specific purposes for which it was collected, unless specifically authorized or mandated by law)

TAS does not retain, maintain or store PII from Facebook.

d. How will the PII be eliminated at the end of the retention period? (All records housed in the system will be erased or purged from the system at the conclusion of their retention period(s) as required under IRM 1.15.6 Managing Electronic Records)

TAS does not retain, maintain or store PII from Facebook.

8. How will the IRS secure the PII that is used, maintained or provided? *(Be specific to ensure the security controls meet Cybersecurity and other Federal security authorities)*

TAS does not retain, maintain or store PII from Facebook. There have been instances where users pose general questions to TAS on Facebook and in some of those instances TAS has responded to them via a private message. But, in such limited instances, TAS does not retain, maintain or store PII.

9. List any other privacy risks that may exist, or be inherent in a social networking environment

It's possible Facebook users may reach out to TAS via Facebook and could include PII. If they share this information in a public form, they could include contact information, which would put them at risk of being contacted by other users.

a. What are the IRS plans to mitigate those risks

TAS removes comments from the Facebook page as soon as it becomes aware of them. TAS also has a policy statement about deleting comments prominently featured at the top of its Facebook page.

10. Does this social media site use any means to track visitors' activity on the Internet? *(Note: the executive owner must ensure that the website is in full compliance with OMB M-10-22 "Guidance for Online Use of Web Measurement and Customization Technologies including #3, "Appropriate Use and Prohibitions")* Yes No

a. If yes, indicate means

The means used by Facebook to track its users are outside of TAS's ability to control. TAS does not have access to this data. TAS does not augment or manipulate tracking done by these outside sites.

b. Persistent cookies Yes No

If yes, state authority & provide reason

11. Specific purpose of the IRS Use of the Social Media Site *(Provide a clear, concise description of the social media site and why it's needed.*

Explain the benefits to the Mission of the Service)

The Taxpayer Advocate Service (TAS) uses its Facebook page to share updates with other users, including taxpayers, tax professionals, media and small businesses. Facebook allows TAS to share timely information, raise awareness of TAS services and mission, and encourage tax compliance.

12. Requested operational date

Facebook account is currently active.

13. List all System of Records Notices (SORN) that apply *(contact David Silverman to verify SORN listing prior to PIA submission)*

TAS does not use Facebook to keep records of individuals or their PII.

Section III - General Requirements

14. Third-Party privacy polices

a. The IRS business owner has examined the third party's privacy policy and has evaluated the risks and has determined whether the social media site is appropriate for the IRS use Yes No

- b. The IRS business owner will monitor any changes to the third party's privacy policy and periodically reassess the risks involved Yes No

15. External links

- a. The IRS business owner will assure that if they posts a link that leads to a third-party website or any other location that is not part of an official government domain, the agency will provide an alert to the visitor, such as a statement adjacent to the link or a "pop-up" explaining that visitors are being directed to another government website that may have different privacy policies from those of the agency's official website Yes No

16. Embedded applications

- a. If the IRS business owner incorporates or embeds a third-party application on its website or any other official government domain, the IRS business owner will take the necessary steps to disclose the third party's involvement and describe the IRS privacy requirements in its Privacy Policy notice, as specified by OMB M-10-23 Yes No

17. Agency branding

- a. The IRS business owner will follow guidance that suggests that when an agency uses a social media site that is not a part of an official government domain, the IRS will apply appropriate branding to distinguish the agency's activities from those of nongovernmental actors. For example, to the extent practicable, the IRS business owner will assure that the IRS Seal or emblem will be added to its profile page on a social media site to indicate that it is an official IRS agency presence Yes No

18. Information collection

- a. If information is collected through the IRS use of a social media site, the IRS business owner will assure that they collect only the information "necessary for the proper performance of agency functions and which has practical utility." If PII is collected, the agency will collect only the minimum necessary to accomplish a purpose required by statute, regulations, or executive order Yes No

19. Privacy policy notice requirements

- a. The Business Owner of this social media site agrees to maintain an IRS approved Privacy Notice plus links to irs.gov and the IRS Privacy Policy on the front page of the website. This Notice will "stand alone" and not be combined into other background information. See guidance below Yes No

If no, explain the reason why a Privacy Notice is not required
