We are responding to your correspondence requesting relief in order to establish July 7, 1997, as the effective date of your S corporation election. Based on the information submitted, it appears that your Form 2553 was received by the Internal Revenue Service after the due date. Although we are unable to respond to your request as submitted, this letter provides useful information relating to your request.

Announcement 97-4 (copy enclosed) provides guidance on seeking relief for late S corporation elections and inadvertent invalid S corporation elections. Generally, to request relief for a late or invalid S corporation election you must request a private letter ruling from the National Office. The procedures for requesting a private letter ruling are set out in Revenue Procedure 2000-1 (copy enclosed). In addition, Rev. Proc. 2000-1 requires taxpayers to submit a user fee along with their ruling request. The standard user fee for a private letter ruling is \$5,000. However, taxpayers with gross income of less than \$1 million on their last-filed tax return qualify for a **reduced user fee** in the amount of \$500. If you are eligible to use the reduced fee provision you must include the statement described in § (B)(1)(b) of Appendix A with your request. Please review Appendix B for a sample format for requesting a private letter ruling.

If you decide to submit a formal request for a private letter ruling, please provide documents supporting your intent to be an S corporation from inception, and include the proper user fee. Please refer your request to our office by adding the following to the address:

Please keep this letter with your tax records and feel free to provide a copy of it to your authorized representative. We hope that the above information proves helpful.

Sincerely yours,
