Dear _____ :

This responds to a letter dated September 15, 2005, and subsequent correspondence, submitted on behalf of X, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to elect to be treated as an association taxable as a corporation for federal tax purposes.

The information submitted states that X is a State limited liability company formed on d1. A, an officer of Y (the indirect owner of X) represents that X was intended to be classified as an association taxable as a corporation for federal tax purposes effective d2. However, Form 8832, Entity Classification Election, was not filed timely for X.

PLR-148091-05

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an "eligible entity") can elect its classification for federal tax purposes.

Section 301.7701-3(b)(1)(ii) provides that unless a domestic eligible entity elects otherwise, the entity is disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides that to elect to be classified other than as provided in 301.7701-3(b), an eligible entity must file Form 8832 with the designated service center. Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) gives the Commissioner discretion to grant reasonable extensions of time to make regulatory elections under the rules of §§ 301.9100-2 and 301.9100-3. Under § 301.9100-1(b), a regulatory election includes an election whose due date is prescribed by a regulation published in the Federal Register, or a revenue ruling, revenue procedure, notice or an announcement published in the Internal Revenue Bulletin.

Section 301.9100-3 sets forth the standards which the Commissioner uses to determine whether to grant a discretionary extension of time. These standards indicate that the Commissioner should grant relief when the taxpayer provides evidence proving to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the Government.

Based solely on the facts submitted and representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 60 days from the date of this letter to file a Form 8832 with the appropriate service center and elect to be treated as an association taxable as a corporation for federal tax purposes effective d2. A copy of this letter should be attached to the Form 8832. A copy is included for that purpose.

Except as specifically set forth above, no opinion is expressed concerning the federal tax consequences of the facts described above under any other provision of the Code.

PLR-148091-05

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Sincerely,

Heather C. Maloy
