Subject: RE: IRM re RRB language

I'm late in responding to this one...

Chapter 21 is FICA (TP could owe FICA on some EEs and RRTA on others)

Chapter 23 is FUTA (23A is RURT that is inactive).

Chapter 24 is ITW

It is my understanding we cannot disclose chapter 21, 23, or 24 to RRB. We need to nail this down for Appeals IRM. According to , the 4.23.8 IRM already says you can't send this info--

Draft IRM 4.23.8.6.5(5)states:

what did you hear back from ? I will also run by .
