Dear

This letter constitutes notice that your request for a waiver of the required minimum funding contributions for the Plan for the plan year ended December 31, 2013 has been granted subject to the conditions listed below. This waiver is for the unpaid required minimum contributions for the above listed plan year; all waiver amortization payments representing the waiver must be paid as stated under section 412(c)(1)(C) of the Internal Revenue Code (the "Code").

1. Within one hundred and twenty (120) days of the receipt of the Internal Revenue Service (the "Service") ruling letter, the Company will provide collateral acceptable to the Pension Benefit Guaranty Corporation (the "PBGC") for the full amount of the waiver.
2. Starting with the quarterly contribution due October 15, 2014, the Company makes the required quarterly contributions to the Plan in a timely fashion while the Plan is subject to the minimum funding standard. For this purpose, the total amount of each quarterly contribution will be determined in accordance with section 430(j)(3)(D) and section 430(j)(3)(E) of the Code and can be comprised of several installments made prior to the respective due date of the quarterly contribution.

3. The Company makes contributions to the Plan in amounts sufficient to meet the minimum funding requirements for the Plan for the plan years ending December 31, 2013 through December 31, 2017 on or before September 15th of the year following each respective plan year.
4. Under section 412 (c)(7) of the Code, the Company is restricted from amending the Plan to increase benefits and/or Plan liabilities while any of the waived funding deficiency remains unamortized, with only certain exceptions as defined in section 412(c)(7)(B).
5. The Company provides verification of payment of all contributions described above in a timely manner to the Service and the PBGC to the addresses below:

You agreed to these conditions in a letter dated July 24, 2014. If any of these conditions is not satisfied the waiver will be retroactively null and void.

This conditional waiver has been granted in accordance with section 412(c) of the Code and section 302 of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company is a publishing company. The temporary substantial business hardship was precipitated by the economic recession which adversely impacted the Company's advertising revenue. The Company is focusing on the changing trends in the consumption of news and more targeted forms of advertising. The Company has also undertaken efforts that will lead to new opportunities for advertising sales. In addition the Company has also aggressively cut costs and significantly reduced operating expenses.

The Company has made timely contributions to the Plan in prior years and forecasts sufficient income and cash flow to make the minimum required contributions over the waiver amortization period.

Your attention is called to section 412(c)(7) of the Code and section 302(c)(7) of ERISA which describe the consequences that would result in the event the Plan is amended to increase benefits, change the rate in the accrual of benefits or to change the rate of

vesting, while any portion of the waived funding deficiency remains unamortized. Please note that any amendment to a profit sharing plan or any other retirement plan (covering employees covered by this Plan) maintained by the Company, to increase benefits, or any action by the Company or its authorized agents or designees (such as a Board of Directors or Board of Trustees) that has the effect of increasing the liabilities of those plans, would be considered an amendment for purposes of section 412(c)(7) of the Code and section 302(c)(7) of ERISA. Similarly, the establishment of a new profit sharing plan or any other retirement plan by the Company (covering employees covered by this Plan) would be considered an amendment for purposes of section 412(c)(7) of the Code and section 302(c)(7) of ERISA.

This ruling is directed only to the taxpayer that requested it. Section 6110(k)(3) of the Code provides that it may not be used or cited by others as precedent.

When filing Form 5500 for the plan year ending December 31, 2013, the date of this letter should be entered on Schedules SB (Actuarial Information). For this reason, we suggest that you furnish a copy of this letter to the enrolled actuary who is responsible for the completion of the respective Schedules SB.

We have sent a copy of this letter to the Manager, EP Classification in Baltimore, Maryland and to the Manager, EP Compliance Unit in Chicago, Illinois.
