Dear :

This is a Final Adverse Determination Letter that your exempt status under section 501(c)(3) of the Internal Revenue Code (IRC) is revoked. Recognition of your exemption under IRC section 501(c)(3) is revoked effective January 1, 20XX.

Our adverse determination was made for the following reason(s):

You are a hospital organization which failed to comply with the requirements of IRC section 501(r), to conduct a community health needs assessment, adopt an implementation strategy and make it widely available to the public.

Contributions to your organization are not deductible under section 170 of the Internal Revenue Code.

You are required to file Federal income tax returns on Form 1120. These returns should be filed with the appropriate Service Center for the year ending December 31, 20XX and for all years thereafter.

Processing of income tax returns and assessment of any taxes due will not be delayed should a petition for declaratory judgment be filed under section 7428 of the Internal Revenue Code.

If you decide to contest this determination in court, you must initiate a suit for declaratory judgment in the United States Tax Court, the United States Claim Court or the District Court of the United States for the District of Columbia before the 91st day after the date this determination was mailed to you. Contact the clerk of the appropriate court for the rules for initiating suits for declaratory judgment.
