Dear :

This letter responds to a letter dated March 4, 2020, submitted on behalf of X, requesting a ruling under § 301.7701-3(c)(1)(iv) of the Procedure and Administration Regulations. Specifically, your letter requests the Service's consent to change X's entity classification from an association taxable as a corporation to a disregarded entity for federal tax purposes effective Date3.

FACTS

The information submitted states that X was formed under the laws of State as a limited liability company in Date1. At the time of formation, X had a single owner and was treated as a disregarded entity for federal tax purposes. X subsequently elected to be an S corporation effective Date2. Under § 301.7701-3(c)(i)(v)(C), X is treated as having made an election to be classified as an association taxable as a corporation for federal tax purposes effective Date2. On Date3, a new owner acquired all of the

outstanding interests in X. X represents that as of Date3, X had a change of ownership of more than fifty percent that would satisfy § 301.7701-3(c)(1)(iv).

### LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7) or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. Elections are necessary only when an eligible entity does not want to be classified under the default classification or when an eligible entity chooses to change its classification.

Section 301.7701-3(b)(1) provides that, unless the entity elects otherwise, a domestic eligible entity is (i) a partnership if it has two or more members; or (ii) disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides that, except as provided in § 301.7701-3(c)(1)(iv) and (v), an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832, Entity Classification Election, with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on the Form 8832 or on the date filed if no date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.7701-3(c)(1)(iv) provides that, if an eligible entity makes an election under § 301.7701-3(c)(1)(i) to change its classification, the entity cannot change its classification by election again during the sixty months succeeding the effective date of the election. However, the Commissioner may permit the entity to change its classification by election within the sixty months if more than fifty percent of the ownership interests in the entity as of the effective date of the subsequent election are owned by persons that did not own any interests in the entity on the filing date or on the effective date of the entity's prior election.

Section 301.7701-3(c)(i)(v)(C) provides that an eligible entity that timely elects to be an S corporation under § 1362(a)(1) of the Internal Revenue Code (Code) is treated as having made an election under § 301.7701-3 to be classified as an association, provided that (as of the effective date of the election under § 1362(a)(1)) the entity meets all other requirements to qualify as a small business corporation under § 1361(b). Subject to § 301.7701-3(c)(1)(iv), the deemed election to be classified as an association will apply as of the effective date of the S corporation election and will remain in effect until the entity makes a valid election, under § 301.7701-3(c)(1)(i), to be classified as other than an association.

CONCLUSION

Based solely on the information submitted and the representations made, we consent to X changing its entity classification to a disregarded entity for federal tax purposes effective Date3 under § 301.7701-3(c)(1)(iv). Accordingly, X should file a Form 8832 pursuant to Rev. Proc. 2009-41, 2009-39 I.R.B. 439, with the appropriate service center to elect to be disregarded as an entity separate from its owner effective Date3 and attach a copy of this letter to its Form 8832.

Except as expressly provided herein, we express or imply no opinion concerning the federal tax consequences of any transaction or item discussed or referenced in this letter. Specifically, we express or imply no opinion regarding whether X is otherwise eligible to make the election.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

This ruling is directed only to the taxpayer requesting it. According to § 6110(k)(3) of the Code, this ruling may not be used or cited as precedent.

In accordance with the power of attorney on file with this office, we are sending copies of this letter to X's authorized representatives.

Sincerely,

Mary Beth Carchia
