Date 2:

Dear \_\_\_\_\_ :

This letter responds to a letter dated September 28, 2022, submitted on behalf of X by its authorized representatives, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3 to be classified as an association taxable as a corporation for federal tax purposes.

FACTS

The information submitted states that X was formed as a limited liability company under the laws of State on Date 1. X represented that it is an entity eligible to elect to be classified as an association taxable as a corporation for federal tax purposes. X intended to elect to be classified as an association taxable as a corporation effective Date 2. However, X inadvertently failed to timely file Form 8832, Entity Classification Election, to be treated as an association taxable as a corporation for federal tax purposes effective Date 2.

X represents that it has acted reasonably and in good faith, that granting relief will not prejudice the interests of the government, and that it is not using hindsight in making the election.

## LAW AND ANALYSIS

Section 301.7701-3(a) provides, in part, that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes. An eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner. Elections are necessary only when an eligible entity chooses to be classified initially as other than the default classification or when an eligible entity chooses to change its classification.

Section 301.7701-3(b)(1) provides that unless the entity elects otherwise, a domestic eligible entity is: (i) a partnership if it has two or more members; or (ii) disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b) by filing Form 8832 with the appropriate service center.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but not more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Code except subtitles E, G, H, and I. Section 301.9100-1(b) provides that the term “regulatory election” includes an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) the grant of relief will not prejudice the interests of the Government.

## CONCLUSION

Based solely on the facts submitted and representations made, we conclude that X has satisfied the requirements of §§ 301.9100-1 and 301.9100-3. As a result, X is granted an extension of time of 120 days from the date of this letter to file a Form 8832 with the appropriate service center to elect to be treated as an association taxable as a corporation for federal tax purposes, effective Date 2. A copy of this letter should be attached to the Form 8832.

Except as expressly provided herein, we express or imply no opinion concerning the federal tax consequences of any aspect of any transaction or item discussed or referenced in this letter. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the request for ruling, it is subject to verification on examination.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

In accordance with the Power of Attorney on file with this office, a copy of this letter is being sent to X's authorized representatives.

Sincerely,

Associate Chief Counsel  
(Passthroughs & Special Industries)
