

LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7) or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with at least two members can elect to be classified as either an association (and thus a corporation under § 301.7701-2(b)(2)) or a partnership, and an eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(1)(ii) provides that unless a domestic eligible entity elects otherwise, the entity is disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides, in part, that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner has discretion to grant a reasonable extension of time to make a regulatory election under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I. Section 301.9100-1(b) provides that the term "regulatory election" includes an election whose due date is prescribed by a regulation published in the Federal Register.

Sections 301.9100-1 through 301.9100-3 provide the standards that the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-2 provides automatic extensions of time for making certain elections. Section 301.9100-3 provides extensions of time for making elections that do not meet the requirements of § 301.9100-2.

Under § 301.9100-3, requests for relief will be granted when the taxpayer provides evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) the granting relief will not prejudice the interests of the Government.

CONCLUSION

Based solely on the facts submitted and representations made, we conclude that X has satisfied the requirements of §§ 301.9100-1 and 301.9100-3 and, therefore, it is granted an extension of time to file Form 8832 to elect to be treated as an association

taxable as a corporation for federal tax purposes effective on Date. A copy of this letter should be attached to the election. A copy is enclosed for that purpose.

This ruling is contingent on the owner of X, within 120 days from the date of this letter, filing all outstanding required federal income tax returns and information returns (including amended returns) for all open years consistent with the requested relief. A copy of this letter should be attached to any such returns.

Except as specifically ruled above, we express or imply no opinion concerning the federal tax consequences of the facts described above under any other provision of the Internal Revenue Code.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.

In accordance with a Power of Attorney on file with this office, we are sending a copy of this letter to your authorized representatives.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the request for a ruling, it is subject to verification on examination.

Sincerely,

/s/

Richard T. Probst
