Dear

This letter responds to a letter dated May 24, 2024, and subsequent correspondence, submitted on behalf of X by its authorized representatives, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations for X to file an election under § 301.7701-3 to be classified as a partnership for federal tax purposes.

**FACTS**

According to the information submitted, X was formed on Date 1 under the laws of Country. X represents that it is a foreign entity eligible to elect to be classified as an as a partnership for federal tax purposes effective Date 2. X further represents it has filed all federal tax reports consistent with X being classified as a partnership effective Date 2. However, due to inadvertence, X failed to file Form 8832, Entity Classification Election, electing to be classified as a partnership effective Date 2.

## **LAW AND ANALYSIS**

Section 301.7701-3(a) provides, in part, that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7) or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with at least two members can elect to be classified as either an association (and thus a corporation under § 301.7701-2(b)(2)) or a partnership, and an eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(2)(i) provides that, except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a foreign eligible entity is (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability.

Section 301.7701-3(b)(2)(ii) provides that for purposes of § 301.7701-3(b)(2)(i), a member of a foreign eligible entity has limited liability if the member has no personal liability for the debts of or claims against the entity by reason of being a member.

Section 301.7701-3(c)(1)(i) provides, in part, that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on the Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3, to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code (Code), except subtitles E, G, H, and I. Section 301.9100-1(b) defines a regulatory election to include an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections.

Section 301.9100-3 sets forth the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not

meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) the grant of relief will not prejudice the interests of the Government.

### **CONCLUSION**

Based solely on the facts submitted and representations made, we conclude that X has satisfied the requirements of §§ 301.9100-1 and 301.9100-3. As a result, we grant X an extension of time of 120 days from the date of this letter to file Form 8832 with the appropriate service center to be classified as a partnership for federal tax purposes effective Date 2. A copy of this letter should be attached to the Form 8832.

This ruling is contingent on X and its owners filing, within 120 days from the date of this letter to the extent necessary or appropriate, all required federal income tax returns and information returns (including amended returns) consistent with the request relief granted in this letter. These returns include, but are not limited to Forms 8865, Return of U.S. Persons with Respect to Certain Foreign Partnerships, such that these forms reflect the consequences of the relief granted in this letter. A copy of this letter should be attached to any such returns.

If applicable, X's election to be classified as a partnership effective Date 2 is disregarded for purposes of determining the amounts of all § 965 elements of all United States shareholders of X if the election otherwise would change the amount of any § 965 element of any such United States shareholder. See § 1.965-4(c)(2) of the Income Tax Regulations.

Except as specifically set forth above, we express or imply no opinion concerning the facts of this case under any other provision of the Code. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

We express or imply no opinion concerning the assessment of any interest, additions to tax, additional amounts, or penalties for failure to file a timely income tax or information return with respect to any taxable year that may be affected by this ruling. For example, we express or imply no opinion as to whether a taxpayer is entitled to relief from any penalty on the basis that the taxpayer had reasonable cause for failure to file timely any income tax or information returns.

This ruling is directed only to the taxpayer that requested it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed

by an appropriate party. While this office has not verified any of the material submitted in support of the requested ruling, it is subject to verification on examination.

In accordance with a power of attorney on file with this office, we are sending a copy of this letter to your authorized representative.

Sincerely,

Associate Chief Counsel  
(Passthroughs & Special Industries)
