Dear :

You asked for advance approval of your scholarship procedures under Internal Revenue Code (IRC) Section 4945(g)(1). You requested approval of your scholarship program to fund the education of certain qualifying students.

This approval is required because IRC Section 4945 provides for the imposition of taxes on each taxable expenditure of a private foundation. IRC Section 4945(d)(3) provides that the term "taxable expenditure" includes any amount paid or incurred by a private foundation as a grant to an individual for travel, study, or similar purposes by the individual, unless the grant satisfies the advance approval requirement of IRC Section 4945(g).

Our determination

We approved your procedures for awarding scholarships. Based on the information you submitted, and assuming you will conduct your program as proposed, we determined that your procedures for awarding scholarships meet the requirements of IRC Section 4945(g)(1). As a result, expenditures you make under these procedures won't be taxable.

Additionally, awards made under these procedures are scholarship or fellowship grants and are not taxable to the recipients if they use them for qualified tuition and related expenses (subject to the limitations provided in IRC Section 117(b)).

Description of your request

Your letter indicates you will operate a scholarship program. You will provide scholarships to individuals attending private higher educational institutions in B, particularly C in D. All awards will be used for educational purposes only (tuition, books, supplies). The number of recipients and amounts provided will vary based on the applicants' qualifications and needs, along with the availability of assets at that time. C will direct any interested and qualified candidates to an online application link. Applications will be accepted year-round.

Applicants must be U.S. citizens or have legal immigrant status. Applicants must attend or be in the process of applying to a private higher educational institution, particularly C. Applicants must be pursuing fields of study

with a leadership focus.

Qualified candidates must:

- Have a GPA of 3.0 or higher,
- Be enrolled or show intent to pursue a field of study with a leadership focus,
- Submit an essay outlining his or her leadership goals in this particular field of study,
- Provide past and current examples of community involvement and engagement.
- Complete an essay outlining and describing his or her spiritual journey.

Candidate must maintain fields of study consistent with your qualifications/criteria of eligibility. Candidates must inform you if any changes are made to the field of study being pursued.

Awards will be sent directly to the institution of higher education on behalf of the recipient receiving the scholarship to be applied to the student's overall financial aid package. C will apply funds to individuals who remain in good academic standing. Candidates will provide grade transcripts to you upon request. In the event a recipient fails to maintain the grade/eligibility requirements, that recipient will not be eligible for any future scholarship awards from the foundation.

Your Board of Directors will be responsible for evaluating candidates and determining recipients/awards.

You represent that you will complete the following:

- Arrange to receive and review grantee reports annually and upon completion of the purpose for which the grant was awarded,
- Investigate diversion of funds from their intended purposes,
- Take all reasonable and appropriate steps to recover the diverted funds and ensure other grant funds held by a grantee are used for their intended purposes, and
- Withhold further payments to grantees until you obtain grantees' assurances that future diversions will not occur and that grantees will take extraordinary precautions to prevent future diversion from occurring.

You also represent that you will:

- Maintain all records relating to individual grants including information obtained to evaluate grantees,
- Identify a grantee is a disqualified person,
- Establish the amount and purpose of each grant, and
- Establish that you undertook the supervision and investigation of grants described above.

Basis for our determination

IRC Section 4945 imposes excise taxes on the taxable expenditures of private foundations. A taxable expenditure is any amount a private foundation pays as a grant to an individual for travel, study or other similar purposes. However, a grant that meets all the following requirements of IRC Section 4945(g) is not a taxable expenditure.

- The foundation awards the grant on an objective and nondiscriminatory basis.
- The IRS approves in advance the procedure for awarding the grant.
- The grant is a scholarship or fellowship subject to the provisions of IRC Section 117(a).
- The grant is to be used for study at an educational organization described in IRC Section 170(b)(1)(A)(ii).

Other conditions that apply to this determination

- This determination only covers the grant program described above. This approval will apply to succeeding grant programs only if their standards and procedures don't differ significantly from those described in your original request.
- This determination applies only to you. It may not be cited as a precedent.
- You cannot rely on the conclusions in this letter if the facts you provided have changed substantially. You must report any significant changes to your program to the IRS at:

- You can't award grants to your creators, officers, directors, trustees, foundation managers, or members of selection committees or their relatives.
- All funds distributed to individuals must be made on a charitable basis and further the purposes of your organization. You cannot award grants for a purpose that is inconsistent with IRC Section 170(c)(2)(B).
- You should keep adequate records and case histories so that you can substantiate your grant distributions with the IRS if necessary.
