Dear :

This letter responds to a letter dated November 12, 2025, and subsequent correspondence, submitted on behalf of X, by its authorized representative, requesting an extension of time under §§ 301.9100-1 and 301.9100-3 of the Procedure and Administration Regulations for X to file an election under § 301.7701-3(c) to be treated as an association taxable as a corporation for federal tax purposes.

FACTS

According to the information submitted, X was formed on Date 1, as a limited liability company under the laws of State. X intended to elect to be treated as an association taxable as a corporation for federal tax purposes effective Date 2. However, X inadvertently failed to timely file Form 8832, Entity Classification Election, effective Date 2.

LAW

Section 301.7701-3(a) provides in part that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes. An eligible entity with a single owner can elect to be classified as an association (and thus a corporation under § 301.7701-2(b)(2)) or to be disregarded as an entity separate from its owner.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term “regulatory election” as including an election whose due date is prescribed by a regulation published in the Federal Register.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for making regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the government.

CONCLUSION

Based solely on the facts submitted and the representations made, we conclude that the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. As a result, we grant X an extension of time of 120 days from the date of this letter to file a Form 8832 with the appropriate service center to elect to be classified as an association

taxable as a corporation for federal tax purposes effective Date 2. A copy of this letter should be attached to X's Form 8832.

Except as specifically set forth above, we express or imply no opinion concerning the federal tax consequences of the facts described above under any other provision of the Internal Revenue Code. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

This ruling is contingent on X filing, within 120 days of the date of this letter, all required federal income tax and information returns (including amended returns) for all open years consistent with the requested relief. A copy of this letter should be attached to any such returns.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.

In accordance with a power of attorney on file with this office, we are sending a copy of this letter ruling to your authorized representatives.

Sincerely,

Associate Chief Counsel
