**MEDIA STATEMENT RE:
IRS Security Summit/Fight against Tax-Related Identity Theft
BY: Daniel Eubanks, Director, Regulatory Affairs and
Compliance, TaxSlayer, LLC**

EVANS, GA (October 20, 2015) – "TaxSlayer is committed to a strong partnership, between the tax industry, IRS and State Departments of Revenue with the ultimate goal of strengthening safeguards around the tax preparation process and associated customer data.

"Tax-related identity theft is a challenge facing the industry and we are proud to have been a part of the process of collaborating on ways to combat this issue.

"TaxSlayer values its customers, who entrust our company with their information, and as such are committed to ensuring their data and privacy is protected. We look forward to continuing the work with our valued partners and implementing stronger cybersecurity measures and enhancements to safeguard consumers this upcoming tax season and beyond."

###

About TaxSlayer

TaxSlayer grew out of a family-owned company with 50 years in the tax preparation business. TaxSlayer provides online tax preparation software for electronic filing of federal and state tax returns. We strive to provide customers with the highest quality software and online technical support. Our tax preparation software has been used to complete millions of returns since 1998. We are dedicated to the future of the tax industry and proud to serve you.
