Message about your credit payment from Form 8038-CP Your credit payment will be sent by mail

We're sorry, but we're unable to make a direct deposit of your credit payment because of a problem with the bank account information given to us. The routing transit or account number was either missing, incomplete, contained non-numeric characters, all zeros, illegible, or does not appear to be the original entry on Form 8038-CP. To avoid delaying your credit payment, we're sending you a check instead.

As a result, you should receive a check in the mail in 3-4 weeks.
