Penalties

We're required by law to charge any applicable penalties.

Failure-to-file

Description	Amount
Total failure-to-file	\$50.00

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time.

We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).

If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month.

For sole proprietors who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax.

When an income tax return is more than 60 days late, the minimum penalty is \$135 or 100% of the amount of tax required to be shown on the return that you didn't pay on time, whichever is less. (Internal Revenue Code Section 6651)

For a detailed computation of the penalty call 1-800-829-0115.

Late filing for exempt organizations and certain trusts

Description	Amount
Total late filing for exempt organizations and certain trusts	\$50.00
We charge a penalty for each day your return is late or incomplete. If your income is \$1,000,000 or less, we charge \$20 each day up to \$10,000 or 5% of your gross annual receipts, whichever is less. If your income is over \$1,000,000, we charge \$100 each day up to \$50,000. (Internal Revenue Code section 6652)	

Removal or reduction of penalties

We understand that circumstances—such as, serious illness or injury, a family member’s death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

If you would like us to consider removing or reducing any of your penalty charges, please do the following:

- Identify which penalty charges you would like us to reduce or remove (e.g., 2005 late filing penalty).
- For each penalty charge, explain why you believe removal or reduction is appropriate.
- Sign your statement, and mail it to us with any supporting documents.

We will review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

Removal of penalties due to erroneous advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You asked the IRS for written advice on a specific issue.
- You gave us complete and accurate information.
- You received written advice from us.
- You relied on our written advice and were penalized based on that advice.

To request the removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS service center where you filed your tax return. For a copy of the form or to find your IRS service center, go to www.irs.gov or call 1-800-829-0115.

Interest charges

We are required by law to charge interest when you don't pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601).
