Penalties

We are required by law to charge any applicable penalties

Failure-to-file

Description	Amount
Total failure-to-file	\$210.00

We assess a 5% monthly penalty for filing your return late for each month or part of a month the return is late, for up to 5 months. When a penalty for paying late applies for the same month, the amount of the penalty for filing late for that month is reduced by the amount of the penalty for paying late for that month. The penalty for paying late is 1/2% for each month or part of a month. We base the monthly penalty for filing late on the tax required to be shown on the return that you didn't pay by the original return due date, without regard to extensions. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. When an income tax return is more than 60 days late, the minimum penalty is \$210 or 100% of the tax required to be shown on the return that you didn't pay on time, whichever is less.

Removal or reduction of penalties

We understand that circumstances – such as a serious illness or injury, a family member's death, or loss of financial records due to a natural disaster – may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g. 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for written advice on a specific issue
- You gave us adequate and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the address shown above. For a copy of the form, go to www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code section 6601)

Description	Amount
Total interest	\$21.73

The table below shows the rates used to calculate the interest on your unpaid amount due. For a detailed calculation of your interest, call 1-800-xxx-xxxx.

Interest - **continued**

<u>Period</u>	<u>Interest rate</u>
October 1, 2016 – December 31, 2016	3%
Beginning January 1, 2017	4%

We multiply your unpaid tax, penalties, and interest (the amount due) by the interest rate factor to determine the interest due.

Additional Interest Charges

If the amount you owe is \$100,000 or more, please make sure that we receive your payment within 10 work days from the date of your notice. If the amount you owe is less than \$100,000, please make sure that we receive your payment within 21 calendar days from the date of your notice. If we don't receive full payment within these time frames, the law requires us to charge interest until you pay the full amount you owe.
