## Explanation of changes to your 2017 Form 1040

This section tells you specifically what income information the IRS received about you from others (including your employers, banks, mortgage holders, etc.). This information doesn't match the information you reported on your tax return.

Use the table to compare the data the IRS received from others to the information you reported on your tax return to understand where the difference(s) occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts.

### Interest

Received from	Address	Account information	Shown on return	Reported to IRS by others	Difference
Bank A	20 Clinton Street Hanson, CT 99999	SSN NNN-NN- NNNN Form 1099-INT	<b>\$8,745</b>	<b>\$9,155</b>	<b>\$410</b>
Bank B	15 Clinton Street Hanson, CT 99999	SSN NNN-NN- NNNN Form 1099-INT	<b>\$9,255</b>	<b>\$11,920</b>	<b>\$2,665</b>
<b>Interest Total</b>			<b>\$18,000</b>	<b>\$21,075</b>	<b>\$3,075</b>

### Backup Withholding on Interest and Dividends

We based our proposed changes on interest or dividends not reported on your tax return. If you agree that the income shown in our proposal is correct, but do not pay the tax increase, we may notify payers to deduct and withhold 28% of any payments they make to you in the future. We call this backup withholding and it occurs when interest or dividend income is not reported on your tax return, as required by law.

Explanation of changes to your 2017  
Form 1040 - **continued**

**Form W-2 or 1099 not received**

The law requires you to report your income correctly. If your payers did not send you a yearly income statement (Form W-2, Form 1099, etc.), you must use the information you have (pay stubs, monthly income statements, deposit slips, etc.) to estimate the total amount of income you received during the year.

**Misidentified income**

If any of the income shown on this notice is not yours, send us the name, address, and Social Security number of the person who received the income. Please notify payers to correct their records to show the name and Social Security number of the person who actually received the income, so that future reports to us are accurate.

**Unlocated interest, dividends, and/or capital gain amounts**

Since there was no breakdown by payer name on your tax return, we could not locate specific amounts of interest, dividends, or capital gains distributions to match the amounts reported to us. Therefore, this notice lists all the interest, dividend, or capital gain distribution income your payers reported to us and includes credit for the amounts reported on your tax return. If this is incorrect, please list the specific amounts of interest, dividends, or capital gain distributions you received from each of your payers, the name of each payer, and the type of income.

## Next steps

If you agree with our proposed changes, send us your signed Response form so we receive it by the due date of this notice. After you receive the billing notice showing we've adjusted your account, you can use the following online payment options:

- Visit [www.irs.gov/payments](http://www.irs.gov/payments) for information about online payment options including:
  - Pre-assessed installments and payment agreements
  - Payroll deductions
  - Credit card payments
  - Direct debit payments
  - Applicable fees
- To apply for an installment agreement plan by mail, send in your signed Response form AND a completed Form 9465, Installment Agreement Request.

If the same error occurred in another tax year, file a Form 1040X for that tax year.

We send information about these changes to state and local tax agencies. If the changes we made to your federal tax return also impact your state or local tax return, file an amended state or local tax return as soon as possible.

## Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.

Description	Amount
<b>Total interest</b>	<b>\$15</b>

The table below shows the rates used to calculate the interest on your unpaid amount from the date the tax was due until the tax is paid in full. For a detailed calculation of your interest, call 1-800-xxx-xxxx.

Period	Interest rate
Beginning April 1, 2016	4%
