We made changes to your 2017 Form 1040

Amount applied to your 2018 estimated tax: \$00.00

Your 2017 Form 1040 shows you wanted \$99.99 of your overpayment applied to your 2018 estimated taxes. We couldn't apply any of your overpayment because activity on your 2017 tax account may be delaying the release of the overpayment to your 2018 estimated tax.

What you need to do

- You can disregard this notice if we applied the credit after we completed the processing of your 2017 tax return.
- If the overpayment is insufficient or not applied, you should adjust your 2018 estimated tax payments to avoid underpayment and possible penalties and interest.
- If you have questions, call 1-800-xxx-xxxx. You can also contact us by mail. Fill out the Contact information section below, detach, and send it to us with any correspondence or documentation.

Additional information

- Visit www.irs.gov/cp45.
- For tax forms, instructions, and publications, visit www.irs.gov/forms-pubs or call 1-800-TAX-FORM (1-800-829-3676).
