Next steps

Generally, we deal directly with taxpayers or their authorized representatives. Sometimes, however, it's necessary for us to speak with other people, such as employees, employers, banks, or neighbors to gather the information we need about a taxpayer's account. If we've contacted anyone in connection with your account, we'll send you a list of the individuals we've contacted once a year. You also have the right to request a copy of this list at any time.
